2. In the pre-appropriation statement submitted with the D.C's Docket dated 22nd May 1895, pay of Rs 30 per mensem was provided for and the D.C was requested to quote the authority fixing the salary of the midwife at Rs 30 per mensem (Vide docket no $\frac{21134}{L.F\ 28-94}$ of 22 May 1895).

(3) As the salaries of midwives were fixed at Rs 20, 18/15- on the recommendation of the Senior Surgeon, he and the D.C of Districts were requested to favor the Govt with their opinion on the subject at an early date.

offl Memorandum dated 19 July 1895 no $\frac{960-8}{5-5-93}$

(4) The D.C of Bangalore reports that as no contribution is paid the D-F towards the

the pay of the midwives in district head quarter town any increase to her salary will have to be given in consultation with the municipal Board

(5) In the town of Shimoga. an Eurasian midwife was entertained by the Mty on a salary of Rs 30 per mensem and the same has since been ordered + to be paid to the existing midwife, ~~for and~~ the same being reduced to Rs 15 when a vacancy occurs hereafter.

+ clo 3436-8 / L-7 170-84 Dy 10/9/85.

(6) The Dy Comr of Hassan considers that Rs 25 now paid to the midwife at Hassan are quite ample and recommends that some periodical increment up to a maximum may be allowed to all

midwives in the Province.

7 The Dy Comr of Tumkur fixed ~~Rs 30~~ for the Tumkur midwife at Rs 30 per mensem in the case of a Eurasian and at Rs 25 in the case of a native

8 The Dy Comr of Kadur recommends the employment of a European midwife on Rs 50 per mensem to be met from Municipal and D. F. in equal proportions as the existing native midwife failed to secure the confidence of the native as well as European community

9 The Dy Comr of Kolar, Mysore and Chitaldrug and the Senior Surgeon are against the proposal to allow higher salaries to the

midwives in the district
head quarter towns. The
Senior Surgeon adds that
there is an Eurasian midwife
at Shimoga and there
ought to be a native
midwife also in the town
The Dy Coms of Chitaldrug
is of opinion that higher rates
of pay may be allowed, if
the services of midwives of
a higher standard of training
are secured and that for
the existing midwives periodical
increments may be allowed
up to a maximum of Rs 30
with a minimum of Rs 15, and
the higher rates now paid
in mofussil and semimofussil
places being treated as local
allowances.

Sir,

With reference to your memo No. 960-8 L.F. 55-93 dated 19th ultimo, I have the honour to state that as the standard of Education of all Midwives, whether stationed at District Head quarters, or at out-stations is the same, there is no necessity to give the midwife at District Head quarters a higher pay than those in the Taluk, unless it is intended thereby to secure the services of midwives of a higher standard of training.

2. It would be, on the other hand, be a better arrangement to give them as an inducement to do good work, periodical increments of pay, subject, of course, to the Condition that the increments

are to be given not as a mere matter of course, but for approved and efficient service. The minimum pay is, according to the scale now in adopted, Rs: 15. Biennial increments of two Rs: may be given up to a maximum limit of 30 Rs. The difference between the minimum pay of 15 Rs, and what is paid in the Semi Malnad & Malnad Taluks may be constituted a local allowance, and the same continued even after the midwives became, by length of service, eligible for higher rates of pay.

of Shimoga was entertained on Rs 30.

The Work of a Midwife at the Head Quarters of a District is heavy. She has to work in a Town where the people are generally more intelligent and well-to do than in the Kasabas. She must necessarily live more decently and posses better attainments and experience than the ordinary midwives. In this view, it is desirable to provide Salaries of Rs 25/ & Rs 30/ for the Head-Quarter appointments, so that they may serve as prizes for the most able and experienced of the midwives in the service.

Sir

In reply to your offical memo no

pay of midwives at Head Quarters,
I have the honor to inform you that
prior to the present scale of pay for
midwives, a European midwife was
employed at Chekmagalur on Rs 50/
per mensem and that during her employ-
ment she gained the entire confidence
of the Natives aswell as the European
community - which I regret to say that
it has not been the case since the sub
stitution of a native midwife. Under
these circumstances and looking at
the new larger number of European
ladies in the District who would glad-
ly avail themselves of the services of
a well trained European midwife
I would beg to strongly recommend

the appointment of one at the Head Quarters of the District on a pay of Rs 50/ per mensem, half of which might be borne by the municipality and the other half by the District Funds as her services would be utilised outside the limits of the municipality and throughout the District, and also to recommend that during her absence from the municipality the services of the Female Hospital Assistant might be utilised in cases of emergency. In conclusion I have no hesitation in saying that the want of such a person is greatly felt throughout the District
